Invitation

Dear Industry Colleagues:

The International Skeletal Society (ISS) would like to invite your support and participation at the 2024 ISS Annual Meeting taking place at the Le Centre Sheraton Montreal, Montreal, Quebec. The ISS's 2024 Annual Meeting will host 1,000+ attendees over multiple full days of presentations and discussions of clinical case studies, scientific papers and engaging reviews on all aspects of musculoskeletal disorders including imaging, pathology and clinical management. Supporters of the ISS will have access to interact directly with Department Chairs, Vice Chairs, Division Chiefs and Fellowship directors responsible for training the future of radiology. The mission of the International Skeletal Society is to bring together through an educational non-profit society, radiologists, pathologists, orthopedic surgeons rheumatologists and other MSK specialists dedicated to the advancement of the art and science for the diagnosis and therapy of musculoskeletal disorders.

Through didactic presentations, debates, panel discussions and case studies - attendees will interact with expert subspecialists and invited speakers from across the world. Participants will gain instruction in the diagnosis, evaluation and management of difficult skeletal problems facing the practicing providers today. Program highlights this year will include the musculoskeletal imaging course which will stress the fundamentals of advanced concepts, the hands-on ultrasound course, and "hot" topics in the field including interventional procedures and artificial intelligence. The 2024 ISS Annual Meeting will undoubtedly be one of the most invigorating meetings of the year.

Partnering with the ISS at 2024 Annual Meeting is the most direct route in meeting with and sharing your products with some of the most well-known and respected health care providers and decision makers in the worldwide musculoskeletal community. As an essential part of the Annual Meeting, you will be able to place your product in the hands of key opinion leaders in the field and encourage new and existing relationships.

Please review the 2024 Partnership Prospectus and reserve your prime exhibit space today to participate in this cutting-edge musculoskeletal conference. We look forward to having you as our industry partner and thank you in advance for your commitment to our mission. If you have any questions, please contact Ryan O'Sullivan via email at Ryan@veritasamc.com.

The International Skeletal Society leadership and members look forward to meeting you in London!

Kind regards,

Ryan O'Sullivan
