

FELDMAN - Frieda, MD, born in Manhattan on 6/27/1926, passed away peacefully on January 12, 2020, in Palm Harbor, FL. She was surrounded by her beloved husband of 61 years, Rubem Pochaczewsky, MD, her adoring son Alan Powell her daughter in law Norma Jean and grandchildren Cameron David and Lucien. She was also survived by a daughter, Erica.

Her family was of modest means but by sheer strong will, part-time work, and national grants, she was able to graduate from New York University and New York University Medical School.

Dr. Feldman was a renowned chief of Muscular Skeletal Radiology Section at Columbia-Presbyterian Medical Center for 54 years and retired with the rank of Professor Emerita. She was frequently sought as a guest lecturer not only in the United States but also abroad including Switzerland, Japan and Brazil as well as a chosen speaker honoring well known radiologists. Her lectures were of high scientific content but were often also interspersed by witty humor and beautiful art slides. She was awarded numerous excellence prizes from Scientific Exhibits at national meetings.

Dr. Feldman was the recipient of Gold Medals from the American Roentgen Ray Society, International Skeletal Society. She was a Fellow of the American College of Radiology, an examiner of The American Board of Radiology and a former president of the New York Roentgen Society.

She was a prolific author of numerous articles and a reviewer for national and international journals, author of book chapters, monographs and a book and director and member of the faculty of numerous National and International Post-Graduate Radiology Courses

Burial will be private in Palm Harbor.
