Invitation

RE: Opportunity to Interact with Key Opinion Leaders

Dear Industry Colleagues:

The International Skeletal Society (ISS) would like to invite your support and participation at the 2022 ISS Annual Meeting taking place at the Hotel Arts Barcelona. The ISS's 2022 Annual Meeting will host 600-700 attendees over multiple full days of presentations and discussions of clinical case studies, scientific papers and engaging reviews on all aspects of musculoskeletal disorders including imaging, pathology and clinical management. Supporters of the ISS will have access to interact directly with Department Chairs, Vice Chairs, Division Chiefs and Fellowship directors responsible for training the future of radiology. The mission of the International Skeletal Society is to bring together through an educational non-profit society, radiologists, pathologists, orthopedic surgeons and other specialists dedicated to the furtherance of the art and science and to the understanding diagnosis and therapy of musculoskeletal disorders.

Through the didactic presentations, debates, panel discussions and case studies -attendees will interact with expert subspecialists and invited speakers from across the world. Participants will gain instruction in the diagnosis, evaluation and management of difficult skeletal problems facing the practicing providers today. Program highlights this year will include the musculoskeletal imaging course which will stress the fundamentals of advanced concepts, the pathology/microscopes review, the ultrasound course, and many other "hot" topics in the field. The 2022 ISS Annual Meeting will undoubtedly be one of the most invigorating meetings of the year.

Partnering with the ISS at 2022 Annual Meeting is the most direct route in meeting with and sharing your products with some of the most well-known and respected health care providers and decision makers in the worldwide musculoskeletal community. As an essential part of the Annual Meeting, you will be able to place your product in the hands of key opinion leaders in the field and encourage new and existing relationships.

Please review the 2022 Partnership Prospectus and reserve your prime exhibit space today to participate in this cutting-edge skeletal conference. We look forward to having you as our industry partner and thank you in advance for your commitment to our mission. If you have any questions, please contact Ryan O'Sullivan via email at Ryan@veritasamc.com.

The International Skeletal Society leadership and members look forward to meeting you in Barcelona!

Kind regards,

Ryan O'Sullivan

NEW TO MUSCULOSKELETAL (MSK) IMAGING?

Special opportunities are available for first time exhibitors and companies who are new to the MSK imaging space. For more information, please contact Ryan O'Sullivan via email at Ryan@veritasamc.com. We look forward to welcoming you to ISS.

EXHIBIT SPACE RESERVATION

Companies wishing to exhibit must submit a completed exhibitor form (located on the last page) with a method of payment indicated on the form. Exhibits provide an educational service to participants and provide useful information about developments, products and services related to their interests and responsibilities. Products or services displayed must further the purpose of the meeting and provide an atmosphere conducive to exchanging information relevant to the clinical content of the conference. Exhibit space will be assigned at the sole discretion of the ISS. Factors affecting exhibit location may include support level; the date the registration form was received by the ISS office, the number of exhibits, and proximity of competitors.

EXHIBIT PAYMENT

Complete the below exhibitor registration form and return it to Ryan@veritasamc.com. Upon receipt, one of our accounting team members will contact you securely for Credit Card details.
